Re: MATH 203 Foundations designation
Date: October 21, 2004

The foundations board recommends to the Faculty Senate that the course

MATH 203 Calculus for Business and the Social Sciences

be designated as fulfilling the Symbolic Reasoning foundations requirement for the period Fall 2004 – Summer 2009.

Attached please find the final Foundations Course Designation Proposal. This is the result of discussion between foundations board and Charles Matsuda, who made the proposal. We’d like to thank him for his willingness to engage in this process and to incorporate our feedback.

Sincerely,

Nathan Dwyer
