A. Information/Reports (for Transmission):

1. Enrollment Management - Mona

   KCC Summer Session has declined but there are still three weeks until Summer Session I begins. At the next Admin Staff Council Meeting we will review enrollment by departments. Our goal at KCC is to increase enrollment by 1.5% each year for the next two years (fall).

2. Chancellor’s Report - Leon

   Council of Chancellors
   Items of interest included: a) Sustainability Summit; b) legislative update; c) UH Manoa vacant position = 125, 100 lost, 25 positions split between UH Hilo and UH West Oahu. Community Colleges’ positions taken = 0.

   Council of Community College Chancellors
   As indigenous Hawaiian serving institutions, the number of Native Hawaiian positions in the UHCCs will increase in 2014 – 2015. KCC will receive capital funding to complete renovation work downstairs in the Kopiko Bldg. Salary over-payment is still an issue and the campus will be held responsible. Procedures need to be put in place to minimize/prevent this from happening.

   The University of Hawaii must plan for budget reductions, cost shifts to colleges, system assessments, and salary restoration. Significant discussion and financial planning must occur over the next few weeks/

   Other topics covered were the UHCC Chancellor’s draft policy on prior learning assessment, and common course numbering. The third 3CT grant strategy and planning was discussed extensively.
His first 3CT grant dealt with energy, agriculture, and health. Vice President Morton doesn’t want to go back into those areas unless it involves something new. Some other ideas include hospitality and culinary, cyber-security, research technicians, applied engineering. However, health’s relationship to hospitality and culinary will be considered. John will convene a committee. There are two due dates – first is the consortium then the individual campus submission.

3. Self-Assessments: 360 format and guidelines - Leon
The 360 assessments have been received since the time of this meeting. Leon suggested that we start working on the assessments. He will provide a timeline next week. Refer to November 18, 2012 memo from Leon.

4. Follow up and follow through on assignments - Leon
When you get an assignment, get it done. Follow up. If you need more Time, then let Leon know. He doesn’t forget about what he has assigned. Leon will be out of the office next Thursday to work on contract renewals. Finally, there will be a 3CT meeting from 4-5 p.m. on Thursday.

5. HR Update - Milton
Since last week, Jan Doi and Leilani Umehira have been working on campus. They are assessing what the current HR processes are and how the office is set up. On May 19, Nick will start a new job at UH Manoa. Because other staff departed, Nick’s presence has provided some continuity and stability. Mary P. has also been on campus serving as the EEO/AA Officer and has been reviewing recruitments. Her duties and transition are a little clearer than others. Sandra U. is back today. She and her staff met to go over what resources will be needed.

She has requested that the campus work on other things while HR closes for Wed. & Thurs. to assess and to identify what needs to be done immediately. Each campus has an individual involved with the SECE system. Janice Yamada will perform that function for KapCC. Going forward, the positions are posted – lead position and PBB. For now, the Deans should their list of hires needed. One committee will review both lists. Questions should be addressed to the deans and then to the Vice Chancellors.
