The Kapiʻolani Community College – Mobile App

The Kapiʻolani Community College – Mobile App puts the power of online access and support in the palm of your hands. One touch opens an intuitive gateway to the tools and resources you need to take your KCC experience on the go. Class availability, academic calendar, final exams, bus schedules...even your student ID! All yours and available now for download.

My Kapiʻolani – You know the importance of keeping your life in order. From your class schedule to the day and time of that killer final, tap into the nerve center of your academic journey.

How Do I? – Life is hard enough without the further complications of academia. This is your answer guide to the questions that come up when answers just can’t wait.

Events – The KCC campus is alive with a rhythm and pulse of events and activities you’re not going to want to miss. Keep in the loop each event, from

Campus Dining – Every engine needs fuel. And when you’re hungry, you want to eat. This is your guide to local campus grinds,
