What successes does your data reflect?

- Delete this explanatory text to input your own response.
- Highlight achievements from the current academic year, citing specific data.
- Utilize survey data to the best of your ability and include other data sets if relevant and available.
- In the future, each organization will use explicit strategies for collecting relevant data to measure the progress and impact of its goals.
- These strategies will streamline end-of-year reflection/reporting and emphasize data-based decision making.

What goals emerge from the data?

- Delete this explanatory text to input your own response.
- Discuss where the data indicates an improvement might be possible/needed.
- Utilize survey data to the best of your ability and include other specific data sets if relevant and available.
